PETITIONERS - Yesaji and Gaib Sab & OTHERS

Mutton Butchers

TARIKERE (Kadur District)

Rel 29-28 — 16

Respected Sir

We the Petitioners abovenamed most respectfully beg to represent our grievances before Your Honour and pray for their timely redress at Your Honour's generous hards in the interests of Justice and Equity

1 We beg to submit that we are all permanent residents of Tarikere possessing all our properties therein and we have been eking out our livelihood and maintaining our large families with the help of our principal and ancestral profession viz , Mutton Butchery at Tarikere Excepting this peaceful avocation in life we have no other source of income or means of livelihood

2 We were quite happy and unmolested till August

August last, and we were carrying on our simple and humble trade in our place without giving the slightest room for any kind of complaint in the conduct of our business with respect to the quality of the stuff supplied by us and in all the other respects Besides, - in addition to the rent for the Stalls, we have been paying the Octroi duty of 2 annas per head of sheep and one anna to the Slaughter-house as fees to the Municipality

3 Such being the case, trouble came on us in August last when the Municipality of Tarikere decided to put the Shops in the newly built Mutton Stalls to auction On learning of this fact, painful as it was, we represented our grievances to the Municipal Authorities, but finding them remain callous to our supplications, we approached the Deputy Commissioner of Kadur District with a petition setting out in full the details of all the facts of our case, and were awaiting His Honour's Orders in the matter But before any orders were passed by him, the Municipal Authorities of Tarikere held the auction sale in which many outsiders also competed with a view to deprive us of our ancestral profession in our own native place And, we -- seeing that there was an imminent likelihood of the shops being knocked away by outsiders in the keen competition that prevailed at the sale, and feeling that it would work great hardship and ruin on ourselves and our large families if once we are

deprived

deprived of the shops -- made up our mind to retain the shops to ourselves by outbidding the outsiders at all costs principally with the ideam of saving our right to the shops in the first instance before it was too late and then fight for our just cause in a leisurely manner and prevail upon the Benign Government to render us such needful help in t h e matter as we deserved under the circumstances And so we stood the highest bidaers and got the Eight Shops at very top-heavy rents the bids being at Rs 44/- per Shop per month, and a little less

4 We nov beg to represent that as we were unnecessarily put to considerable hardship and injury on account of this auction we began to agitate and move the Authorities including the Deputy Commissioner of Kadur District who was kind enough to view our case with the svmpathy it deserved ard grant us Remission of 4 months' rent and the rents after such reduction have been all paid in full by us without any arrears

5 But the same trouble has visited us for rext year also as we have been issued a Notice to the effect that we should pay rents ranging from Rs 25/- to Rs 20/- per month failing which a public auction would be held of the shops on the 20th of this month This Notice is herewith enclosed for Your Honour's kind perusal and ready reference

6 In this connection we beg to submit Sir, that these amounts of rents ranging from Rs 25/- to Rs 20/- are too heavy and highly inequi-

tous

inequitous for the small trade which we are following for the sake of our livelihood In fact and in short, Sir, we have not been having sales to the extent of more than 8 to 10 sheep for all the 8 Stalls per day, and t h e net profits realised on these small sales are quite negligible Even in such big Cities as Bangalore and Mysore, the shop rents are only nominal It is only in our Tarikere that the rents of Mutton Stalls are so top-heavy In this Tarikere, persons who are conducting businesses to the extent of Tens of Thousands of Rupees and more, do not pay and are not paying - rents of more than Rs 10/- per month, though - their shops are decent buildings in the busy Big Bazar Street, quite unlike our open Stalls situate in the South-west corner of the Town We will be surely ruined if these heavy rents are recovered from us who, being respectable rate-payers of Tarikere Municipality, should not be deprived of our ancestral profession in Tarikere for none of our fault, but on the other hand, our interests should be safeguarded by our own Municipality at all hazards

7 We further beg to submit that the cost incurred by the Municipality in erecting these - Mutton Stalls at Tarikere, is only Rs 1,800/-, and this Stall is situate in an out-of-the-way corner of the Town For this capital which the Municipality have invested in this behalf, they are entitled to recover rents from us only to that extent

This

This amount of Rs 1,800/- has not only been realised by the Municipality by the auction sales of last year, but something like Rs 800/- also in excess has been made up and so all the amounts that will be collected hereafter from us will be huge profits to the Municipality which will grind the poor Petitioners to abject poverty within a very short time if things continue like this What is expected in such cases is only to help our business by levying from us the amounts towards the interest on the capital invested and expended on the Structure of the Stalls and not make huge profits by grinding us to abject poverty This is quite unfair and unjust in consideration of the smallness and humbleness of our trade, while very big business people are not paying more than Rs 10/- towards rent monthly, as already stated above Sir, we will be certainly ruined by these heavy rents and be compelled to leave our ancestral homes In this same matter we have already submitted to Your Honour an humble petition while Your Honour had camped at Tarikere last time (i e in February last) But as we got no reply we have now come to Your Honour personally with our grievances feeling quite sure that Your Honour has by now and at this stage fully realised our grievances caused by the utter inequity which is the result of enhanced rents on our Mutton Stalls

Under the above circumstances we all most humbly pray that Your Honour may be -

pleased

pleased to take pity on us, poor daily bread-winners as we are, and render us your most valuable and timely help in this matter by passing urgent orders directing

(i) the cancellation of the Sale which has been fixed for the 20th instant,

and

(ii) that only a nominal rent be levied from us in future, so as recover from us only the interest on the expenses incurred by the Municipality for the construction of the Stall, as per the dictates of reason and equity, - since more than the actual expenses - expended on the Stalls, with interest, compound interest, etc , etc , have - been already recovered from us during last year only

We once more pray, Sir, that, pending final orders at Your Honour's generous and merciful hands, a STAY ORDER might kindly be issued URGENTLY directing a Stay of the Sale which has been fixed for the 20th instant It will be of immense help to us if we are given the Orders personally so as to stand us in good/stead and timely before it is too late to mend

For the above act of kindness, Justice,

Equity

Equity and timely rescue we shall ever remain grateful to Your Honour and pray for Your Honour's long life, sound health and perpetual prosperity

18th Apr 1929

Petitioners - Yesaji and Gaib Sahib and others,
Mutton Butchers
Tarikere

Respected Sir,

We, the above named petitioners most humbly and respectfully beg to bring the following few lines for your kind consideration and favourable orders

The Municipal authorities of the Tarikere Town have however viewed our case somewhat sympathetically by diminishing the rent to Rs 18, 16, 14, and 12 to each shop which was formely ranging from Rs 25/- to Rs 20/- This consideration was the result of the application given to your honour on the 18th April 1929 at Bangalore

In this connection, we again beg to state, that as the rents are two heavy and inequitors for the small trade which we are following for the sake of our livelihood. Even in such big Cities as Bangalore and Mysore, the shop rents are only nominal and it is only here that the rent of the Mutton Stals are top heavy Local persons who are carrying business on a large extent of tens of thousands of rupees are not paying rent of more than ten rupees a month think their shops have decent buildings and are in the heart of the Town Whereas, we the unfortunate being have to pay from Rs 18,16,14 and 12, to the open stalls which are situated in one of the corner of the Town

For the recovery of the above mentioned rent, a notice is received from the President of the Municipality which is attached herewith for your kind perusal

Hence, we oncemore pray, Sir, that the authorities concerned may kindly be directed to lower the rent and give the shops as at Bangalore and Mysore on the basis of the investment of the construction of stalls though double the amount of the investment made has already been recovered from us last year alone

For which act of kindness we shall ever feel - grateful and pray for your honours' long life and prospfrity

We beg to remain,
